Testimonial

An advisor initially put in 25 names of business-owner acquaintances he had known for 10 years. He sent his first mailing, had 13 requests for information and sold 8 cases! After one year, he had 847 names in the system, mostly by adding 25 to 40 names per month and a list of 300 from his Chamber. The result? **$302,000 First Year Commissions!**
