Ask Yourself...

If a life-threatening illness strikes you:

- How long can you survive financially without a regular paycheck?
- How will your regular bills be paid?
- Will you have sufficient funds available to pay for:
 - Any insurance co-payments and deductibles;
 - Alterations to your home and/or automobile to meet any special needs;
 - Out-of-town transportation and lodging for medical treatment;
 - Additional household and child care expenses;
 - Treatments not covered by traditional health insurance;
and/or
 - Shorter-term home health care during your recuperation?
