

GO PAPERLESS, ANYTIME, ANYWHERE

With MRW Financial

www.mrwfinancial.com

Benefits:

- Eliminates NiGO (Not in Good Order) applications for 100% iGO (in Good Order applications)
- Reduces cycle time and increases placement ratio
- Standardized, rule-based platform ensures that the proper applications and forms are used
- Simplified processing

Features:

- Print/wet sign or e-sign/e-submit
- Indicates to producers those fields required for applications to be received “in good order”
- XML standards allow for easy data mapping and exchange
- The required forms are completed using an easy-to-follow wizard

Contact MRW Financial today to see how our experience, tools and resources will help you place more business faster!
